## RISING STARS: THE ARTS

### POSITION 3

### Peregrine Heathcote

The youngest ever student at the Heatherly College of Arts, Heathcote has morphed from portrait painting to a focus on something a little more Gatsby-esque. He grew up on Cheyne Walk and still lives in the area with his charming wife, Louise. This Old Harrovian's stunning paintings hang in some of the finest collections and when he's not with his easel, Heathcote is either turning his hand to redeveloping properties or collecting clocks.
